

# Ethical Culture and Perceptions Assessment

**65%**

of the World's Most Ethical Companies® use standalone ethical culture surveys.

## Evaluate Your Company's Ethical Culture

Gain in-depth data that establishes a baseline and pinpoints areas of strength and opportunities for improvement.

**"We wanted to understand employee perceptions of our commitment to the organization's core values of ethics and integrity."**

*- The Timken Company*

### Valuable for Employees

- Guaranteed anonymity
- Short survey – takes 5 to 7 minutes using their choice of device
- Ability to inform change by speaking up and citing their experience

### Benefits for Ethics & Compliance Leaders

- Measurement and insights into the effectiveness of your programs
- Rich data that can be segmented by demographics, function and geography, then manipulated for analysis
- Tailor the survey using an extensive list of questions; Ethisphere does the rest

### Advantages for the C-Suite

- Reduced risk through insights into your most critical asset – your employees
- Visibility into how organizational changes are impacting ethical behavior
- Business advantages gained through Ethisphere's expert analysis

# The Process to Survey Your Global Workforce

## Ethisphere's Data Set

Our data set is built from our proprietary Culture Quotient® survey, which provides an objective measurement of a company's ethical culture, compliance programs, policies and procedures, and more.

**INSIGHT:** Resources dedicated to your compliance program are well spent in training your managers in how best to respond.

**66%**  
of employees who choose to report ethical concerns do so to their manager, over other reporting options.

Join our community of global companies collaborating around best practices and receive the Ethical Culture and Perceptions Assessment as part of your membership.
